Announcement

The rise in price of commercial cattle, the change from a condition of drouth to good pastures and excellent crop prospects and the shortage of cattle incident to the disastrous conditions of 1934, have brought about an unusual demand for Breeding stock. Intelligent breeders and farmers are not content to make replacements in their herds with any but cattle of good type and quality.

To supply cattle of the character that will meet this demand, leading breeders of Shorthorns offer, at this sale, as good a lot of bulls and females as have been assembled in a consignment sale in America since the boom days that ended about fifteen years ago.

The nearly ninety lots listed in this catalog and that will be sold in this sale on June 7th, comprise all of the best bloodlines that are being produced in America. The three leading strains, Browndale, Dreadnaught and Collynie Clipper Crest, predominate. Other well known strains are represented.

Impressive tried sires, bulls with show records, prospective winners and future great sires are here in liberal numbers. The females are equally as attractive as the males. Heifers that will win in their respective show classes are numerous. Some excellent cows with calves at foot are included. Females on which profitable herds can be founded may be obtained in this sale.

In numbers the sale is equal to two ordinary auction offerings. In quality, type and breeding no recent sale has equalled this. In diversity of bloodlines from which to select, this sale is far superior to any that has been held in many years or that may be expected in the near future.

Study this catalog. Read the pedigrees. Observe the pictures. Note how the best of the breed has been assembled and that the best breeders have contributed to this offering.

Come to Webster City on June 7th. Come early in order to make intelligent selections before the cattle enter the auction ring. Improve your herd by purchasing some of these outstanding cattle, produced by America's most renowned breeders.

A distinct upturn in range of prices of pure bred live stock is evidenced on every hand. That upward swing is gaining momentum. Buy now before prices get beyond reasonable values.

WILL JOHNSON.

COME EARLY—THE SALE WILL BE STARTED PROMPTLY
AT TWELVE O'CLOCK.

Terms and Conditions

LOCATION—The sale will be held in the sale pavilion at the Fair Grounds at WEBSTER CITY, IOWA, on Friday, June 7, 1935. Webster City is on the paved U. S. Highway No. 20, twenty-one miles East of Fort Dodge and seventy-six miles West of Waterloo. Intersecting roads make it easy of access by paved highways from all parts of Iowa and adjoining States. Also it is on the Illinois Central and Chicago and Northwestern Railroads.

TERMS—The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyers risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

GUARANTEE—All cattle are sold subject to a sixty day retest for tuberculosis. Health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if not used for service before they are fourteen months of age and if properly cared for and not if allowed to run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought and if after a test in the sellers herd, he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of the sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's costs of transportation.

Any claim for adjustment because an animal is a non-breeder must be made in writing within ninety days of the date of the sale.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

PEDIGREE CERTIFICATES—A certificate of registry and a transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

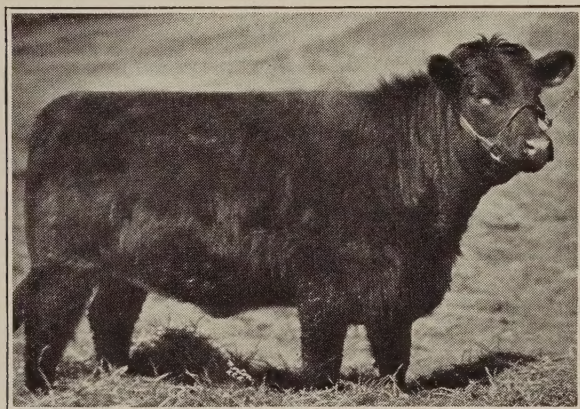

BIDS—Those wishing to buy who cannot be present may leave with, or send their bids to the sale manager, Will Johnson of the Shorthorn World; to J. E. Halsey of Wallaces' Farmer, Frank Richards of the Cornbelt Dailies, or to any of the consignors.

The rise in prices of pure bred cattle has come but pure bred Shorthorns are still the corn-belt farmers best asset. Buy these choice breeding units before the price gets above that of a safe conservative investment. In a short time cattle such as these will be selling at double the prices of this sale. Buy now and be ready to sell them.

WILL JOHNSON, Sale Manager,
